

## **Cranberry Barbecue Chicken**

2 to 3 chicken legs per person  
1 onion chopped  
16 oz can whole berry cranberry sauce  
1 cup barbecue sauce

(If making 6 or less legs half the sauce – could use rest for cranberry freezes!, worked fine with 18 legs)

put chicken in the crockpot. Mix sauce ingredients and pour over the top Cook on high for 4 hours or on low for 6-8 hours. (If frozen increase cooking time by atleast an hour)

Should be able to cook in the oven at 375 for an hour covered instead of in the crock pot. (Make sure chicken legs are thawed first)
