

LIME AND PINEAPPLE JELLO with cream cheese

(this makes the salad quite expensive. My kids do like it better with cream cheese but they still like it a lot without)

- 1 cup Rich Whip Non Dairy Whip Topping
- 1 (20 oz.) can crushed pineapple, with juice
- 3 oz. pkg. lime Jello
- 8 oz. Tuffiti cream cheese or Chevron Goat Cheeese
- 1 T almond Milk

Beat Whip Topping till soft peaks set aside. Drain pineapple, reserving juice. Heat reserved pineapple juice until hot enough to dissolve Jello. Add Jello and cream cheese with 1 tablespoon milk. Beat until smooth. Add Jello mixture to Whip topping and whip until well blended. Add drained pineapple. Mix well. Pour into mold and chill
